Dear Sir/Madam

I am writing with regard to the Stonesfield NP Reg 16 Consultation. I have read/reviewed the Reg 16 Consultation docs on the WODC website here: [Stonesfield Neighbourhood Plan - West Oxfordshire District Council](#)

And I have spotted that not all of the Regulation 14 feedback from Stonesfield residents has been published (on the above webpage.) Whilst some of the Regulation 14 feedback has been shared, within the documents labelled "2 Stonesfield Neighbourhood Plan Feedback 1" and "3 Stonesfield Neighbourhood Plan Feedback 2", not all has been shared/made public. Importantly, the current publicly available Reg 16 consultation docs are missing the longer form Reg 14 feedback from Stonesfield residents.

The published documents (labelled 2 and 3) only include the short form feedback - they do not include the much longer feedback pieces submitted by a number of residents, captured via a survey as part of Reg 14 .

I know this as A) I was on the NP Steering Group, and have seen/discussed all Reg 14 feedback submitted. And B) As a resident of Stonesfield, I cannot see my own personal feedback submitted in Reg 14 in these Reg 16 documents.

Please can I ask:

1. Was the longer form Reg 14 feedback sent to WODC by Stonesfield Parish Council (SPC)?
2. Has the residents' longer form Reg 14 feedback been sent on to the examiner?
3. If it was supplied by SPC, why is it not now being shared publicly alongside documents 2 and 3, so as everyone has access to all feedback (not just some)?
4. If this feedback has been missed, either by SPC or WODC, will it now be published and the Reg 16 Consultation re-published/extended?

Thank you, in advance, for looking in to this and getting back to me.
