Highway Road Traffic Schemes Register Notification Form

For each scheme that has been approved, where any of the Con29 enquiries form questions apply (3.1 through to 4.0 listed below), please complete this form. Also include an appropriate plan, showing the extent of the scheme.

Send them electronically to the Highway Scheme & Procedures Officer in Land & Highway Records at: CON29.L&HR@Oxfordshire.gov.uk

It is a legal requirement for OCC to hold scheme information to be able to respond to enquiries made by solicitors, other professional organisations, members of the public, other Local Authorities, utility companies and personal search companies under any of the CON29 highways questions or in relation to the request for scheme details.
