Highway Road Traffic Schemes Register Notification Form

For each scheme that has been approved, where any of the Con29 enquiries form questions apply (3.1 through to 4.0 listed below), please complete this form. Also include an appropriate plan, showing the extent of the scheme.

Send them electronically to the Highway Scheme & Procedures Officer in Land & Highway Records at: CON29.L&HR@Oxfordshire.gov.uk

It is a requirement for OCC to hold scheme information to be able to respond to enquiries made by solicitors, other professional organisations, members of the public, other Local Authorities, utility companies and personal search companies under any of the CON29 highways questions or in relation to the request for scheme details.

Scheme Registration Ref #: 7096 (to be completed by HS&PO)

Scheme Title/ Description:
151.128 Land East and West of Swinbrook Road, Carterton S278

S278 works are linking the developments to the east and west of Swinbrook Road, the access to the northern aspect of Swinbrook Road will be closed off by hydraulic bollards, the bollards will only drop for buses. Pedestrians and cyclists will still have full access through the blockage. Other vehicles will have to travel through either of the developments to get to the northern aspect of Swinbrook Road.

Parish Name & #: Carterton 151

CON29 questions – at least one of these points MUST be selected

3.1 Land Required for Public Purposes
   Does the scheme include land required for public purposes?
   Unknown

   [This applies if the location of a scheme will be/is affected by provisions of a non-statutory plan which effectively prohibit development in the interest of preserving the Council's/government's/statutory undertakers' (e.g. gas) plans for the future.]

3.2 Land to be Acquired for Roadworks
   Does the scheme include land to be acquired for roadworks?
   Unknown

   [This differs from 3.4 as follows: 3.2 is concerned with definite action on the part of a highway authority that is almost certain to take place, having been approved after consultation and modification. 3.2 is directly concerned with acquisition of the property itself (or part of it) to enable the road scheme to proceed.]

3.3 Drainage Agreements and Consent
   Does the scheme involve construction of a surface water sewer across private land requiring an easement?
   Unknown

3.4 Nearby Road Schemes
   A) Is it the construction of an approved new road? Supplies new roads.

   Or

   B) Is it an existing road alteration or improvement involving the approved construction of a:

      i) Subway
      ii) Underpass
      iii) Flyover
      iv) Footbridge
      v) Elevated road
      vi) Dual carriageway

   C) Does the scheme involve the proposed alteration or improvement to an existing road involving

      i) Construction of a roundabout (other than a mini roundabout)
      ii) Road widening by one or more traffic lanes

P:\1. Asset Management\3 Land & Highways Records\con29\scheme notification registration form
D) Does the scheme involve the construction of
   i) A new road to be built by the local authority
   ii) An approved alteration or improvement to an existing road involving construction of a subway, underpass, flyover, footbridge, elevated road or dual carriageway
   iii) A roundabout (other than a mini-roundabout) or widening by adding traffic lanes

E) Is the scheme the possible route of a new road published for consultation?

F) Does the scheme involve the construction of any of the below, under proposals published for public consultation
   i) A proposed alteration or improvement to an existing road involving construction of a subway, underpass, flyover, footbridge, elevated road, dual carriageway
   ii) A roundabout (other than a mini)
   iii) Widening by addition of traffic lanes
3.5 Nearby Railway Schemes
Is the scheme a proposed railway, tramway, light railway or monorail?
Unknown

3.6 Traffic Schemes
Does the scheme include the following proposals, which are approved but not yet implemented?

A) permanent stopping up or diversion

B) waiting or loading restrictions

C) one way driving

D) prohibition of driving

E) pedestrianisation

F) vehicle width or weight restriction

G) traffic calming works e.g. road humps

H) resident parking controls

I) minor road widening or improvement

J) pedestrian crossings

K) cycle tracks

L) bridge construction

3.7 Outstanding Notices
Does the scheme create any statutory notices, which could affect properties in the road?
Unknown

3.11 Compulsory Purchase
Is any property or land subject to an enforceable order or resolution for compulsory purchase?
Unknown

4.0 Road Proposals by Private Bodies
A) Does the scheme involve proposals by others which still have yet to be implemented involving the construction of a new road?

or

B) Will alter or improve the existing road by the construction of a:

i) Subway

ii) Underpass

iii) Flyover

iv) Footbridge
