

## **West Oxfordshire District Council Partnership Activity**

### ***Strategic Partnerships***

- [Future Oxfordshire Partnership](#) builds collaboration across Oxfordshire to deliver the bold aims of the Oxfordshire Strategic Vision for Sustainable Development, and is informed by four Advisory Groups (Infrastructure, Housing, Environment and Planning).
- [Oxfordshire Local Nature Partnership](#) aims to radically enhance nature recovery, its climate impacts and the priority it is given.
- [Oxfordshire Inclusive Economy Partnership](#) works to create a more equal and sustainable region, creating opportunities and economic benefits for all within Oxfordshire.
- [Oxfordshire Local Enterprise Partnership \(OxLEP\)](#) is a partnership of local authorities and businesses who have developed and will deliver the Oxfordshire Strategic Economic Plan that will link to the Oxfordshire Strategic Vision for Sustainable Development.
- [Oxford – Cambridge pan Regional Partnership](#) is a collaboration of leaders from local government, Local Enterprise Partnerships, the Arc Universities Group and English Economic Heartland who's mission it is to secure a future for communities within the Partnership geography to prosper from environmentally sustainable ways of living and working.
- [South East Councils](#) represents the views of local authorities in the South East region to make the region a great place to live, work and do business by making the case for priority issues to, and through, Government, Parliament, Industry and the media.
- Two new Oxfordshire Local Visitor Economy Partnerships ([Experience Oxfordshire](#) and [Cotswold Plus](#)) represent the interests of the visitor economy in the County and beyond.
- Oxfordshire Environment Partnership ensures delivery of the [Oxfordshire Joint Municipal Waste Management Strategy 2018 - 2025](#)
- [West Oxfordshire Community Safety Partnership](#) ensures delivery of district community safety priorities and works collectively with partners on countywide priorities through the [Safer Oxfordshire Partnership](#).
- [Good Food Oxfordshire](#) work to promote a fairer, healthier and more sustainable food system for Oxfordshire. The West Oxfordshire Food Action Working Group has produced the [West Oxfordshire Food Action Plan](#).
- [Oxfordshire Health and Wellbeing Board](#) oversees delivery of the [Oxfordshire Health and Wellbeing Strategy 2024-2030](#) as the primary strategy to improve health and wellbeing for local people between 2024-2030.
- Oxfordshire Migration Partnership is a collective of local authorities and other stakeholders working to support the migrant population within the County.

### ***Partnerships with the Voluntary and Community Sector***

The Council commits to invest in the local Voluntary and Community Sector to support activity which achieves a range of outcomes aligned with the Council Plan 2023-27 through a pledge pot to the [Westhive Crowdfunding Platform](#) and eight Service Level Agreements (2024-27) to deliver:

Lot 1. Improving our Natural Environment

- [Wild Oxfordshire Community Ecology Programme](#)

Lot 2. Taking Action towards the Climate and Ecological Emergencies

- [Wychwood Forest Trust](#)
- [Evenlode Catchment Partnership](#)
- [Low Carbon Hub – Eynsham CAPZero](#)

### Lot 3. Increasing Community Resilience

- [Age UK Oxfordshire](#)
- [Home Start Oxford](#)
- [Volunteer Link-Up](#)
- [Chipping Norton Theatre](#)

### ***Shared Services with other Local Authorities***

A wide range of Council services are delivered through the Local Authority owned companies [Publica](#) and [Ubico](#), both of which West Oxfordshire District Council are a shareholder. In addition, the Council is in a partnership with a range of local authorities to provide Internal Audit Services ([South West Audit Partnership](#)), Legal Services and Counter Fraud and Enforcement Services.
