The Stonesfield Neighbourhood Plan is most interesting set of documents. I must commend the team on their careful research.

I responded to all the surveys and attended many of the consolation exhibitions. I always found the team willing to engage, answering any question I, or others, may have had.

The time the team spent in its preparation and presentation has been amply rewarded, making a complex subject easier to digest. It is a credit to Stonesfield that these people were willing to put in the long hours over the last 4 years.

I thoroughly recommend its acceptance by WODC and hope that the Inspector also sees fit to approve it in full.

I look forward to voting to 'yes' in the final referendum.
