

### 3 Year Grant Agreements (SLA) with West Oxfordshire District Council 2024-27:

#### Overview:

Grants awarded under 3 lots:

**Lot 1** – Improving our natural environment and the access to it, so that we enable physical and mental wellbeing and cohesive, connected communities.

**Lot 2** – Taking action towards the climate and ecological emergencies, so that we reduce carbon footprints and encourage nature recovery.

**Lot 3** - Increasing community resilience and amplifying the voice of the seldom heard, so that we take action on issues most important to our residents and their needs, such as access to food, supporting young people and cultural provision.
